

ARABIC in 10 minutes a day®

Whether you're planning a trip to Morocco, Egypt, or any of the 25 exotic countries where Arabic is spoken, you'll want to bring along your language skills and ARABIC in 10 minutes a day is just the ticket! With a focus on practical words and phrases which every traveler needs, the book and interactive software provide an easy, step-by-step approach together with useful study tools and fun, computer activities and games. Perfect for students, travelers and international executives worldwide! The 10 minutes a day Program: The 10 minutes a day proven methodology guarantees success all you have to do is set aside 10 minutes and you'll be on your way. Why 10 minutes a day? Because 10 minutes is doable, it fits easily into your life and it's not overwhelming. The program is created so that you can work at your own pace. You set the pace and you decide when you're ready to move to the next Step. The book is purposely designed to look like a child's workbook; it's not intimidating or overwhelming. Instead, it's approachable and engaging for everyone at any age. The book covers material equivalent to more than a year of high school Arabic or the 1st quarter of Arabic at university. The vocabulary hones in on key essential words that you'll actually use when traveling. You'll learn Key Question Words so you can ask for what you need; money and numbers so you can shop and pay bills; directions so you can get to your destination smoothly, and so much more that will make your experience abroad enjoyable. Study aids and fun activities such as word games, puzzles and interactive modules are academically designed and strategically interwoven into the program to help you succeed. Contents include: The 132-page illustrated workbook: Use the book to guide you, step-by-step, through learning and speaking Arabic. Full color throughout: Visually engages you and is conducive to

learning quickly. Digital download of 10 minutes a day language learning software: Use the interactive modules to hear the words, practice and play, track your score and have fun! (PC and Mac friendly)150 Sticky Labels (both in the book and for your computer): Place the Sticky Labels around the house and office to learn new words without any extra time or effort. Use the interactive Sticky Labels module on your computer to hear the words, review, keep track of your score and improve. Ready-made Flash Cards (both in the book and for your computer): Take the ready-made flash cards with you and review your vocabulary on the go. Use the interactive Flash Card module on your computer to hear the words, practice and test yourself. The Arabic alphabet: Use this lesson to learn the Arabic script. Write each letter and become familiar with its pronunciation. With a little practice, you'll be on your way to reading Arabic in the very next lesson. Cut-out Menu Guide: Practice at your local restaurant and take it on your trip. Pronunciation Guide: With the Guide and simple phonetics above each Arabic word, it's easy for native English speakers to begin speaking Arabic with the correct pronunciation. Glossary of over 2,000 new words, definitions, and pronunciation: So you can quickly look up an Arabic word, its pronunciation and definition.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
