

Arnolds Modern French, Vol. 2 (Classic Reprint)

Excerpt from Arnolds Modern French, Vol. 2 The text is divided into three parts. The first part (lessons I.-VIII.) deals with a limited number of everyday subjects. Its object is to form an introduction to Reform methods for pupils who are not familiar with them, and to practise all pupils in useful vocabulary. The method of treatment is such that it can be applied to a great variety of subjects by any class under the direction of the master. The vocabulary and grammar in these lessons are meant to be in part a revision of material already used in Book and the exercises in retranslation are labelled for reference with this object in view. Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
