# [[[A Primer on Scientific Programming with Python (2012) (Texts in Computational Science and Engineering #6) [A PRIMER ON SCIENTIFIC PROGRAMMING WITH PYTHON (2012) (TEXTS IN COMPUTATIONAL SCIENCE AND ENGINEERING #6)] By Langtangen, Hans Petter (Auth

Welcome to the blog of Joan le Grande. I'm turning the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Am mostly tuned for lifestyle articles and reviews about games or other nerdy stuff. Anime Manga Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tags: awesome, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, viraal reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
