

Stinky Dog

Peter and Beth had planned to enter Gwennie, their golden retriever, in the dog show at the county fair. But when Gwennie rolls in something stinky at the beach, it looks like (and smells like) shes ruined their chances. The kids, however, arent ready to give up. They decide their only chance is to take the long way back home, and see if some of their quirky Point No Point neighbors have any ideas for how they can turn their dog back into her typical, sweet smelling self. If you liked Stinky Dog, you might also like to read two other dog stories by Michael Wenberg: The Captains Dog, and Dognapped.

I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
