

A New English/Chinese & Chinese/English Dictionary of Accounting & Auditing (Chinese Edition)

This dictionary is a bilingual book integrating professional, usability, stability and novelty, and it is divided into two parts, namely English-Chinese and Chinese-English, and three thousand entries. The selection on words, English translation, Chinese translation and description in this book has undergone successive scrutiny, and strive to be more accurate, concise and fluent. The appendix attached to this book is written based on latest Enterprise Accounting Standards, more in line with specifications. The dictionary can be used by students major in finance, foreign trade and foreign language faculty.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
