

(Black & White Reprint) 1928 Yearbook: Sunset High School, Dallas, Texas

Order your own softcover black & white reprint of a previously owned high school yearbook. Whether you no longer have your own copy or want to surprise someone with a unique gift, the memories in this yearbook are sure to make someone smile! All the pages and images are reproduced as-is, which means your copy may show handwriting or effects of aging, and that certain pages, images, or other content may be omitted, missing, or obscured. Because this is a black & white print, any color images (excluding the cover) will print as gray. You can preview the color pages before you buy at www.classmates.com/yearbooks. Dont miss out! Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
