

## Naughty, Naughty, Bad Doggy (Baxter Book 1)

Baxter is a dog with a loving family who has good intentions, but seems to get himself caught up in trouble. He has been trained well, but in this book, you will find Baxter has been a naughty, naughty, bad doggy. From drowning the kids homework, to hiding the laptop in the tomato garden, to wrecking the house, all Baxter wanted was to enjoy his day, just a little differently! Baxter gets caught up with running out the back yard gate quite often, and today, was the worse day ever. Just wait, though, he has more adventures to come!

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
