

## The Burial Locations of Free Will Baptist Ministers: Volume Two (Free Will Baptist History)

This volume has 1217 burial locations covering 44 states and 4 foreign countries from one of the oldest denominations in the United States and covers a vast range of ministers who set the pace for growth and change wherever they were. This edition contains those from New Mexico to Wisconsin. Every minister in every state had their own story to tell. This book will share these messages. I have found the history of every minister fascinating. I know you will also.

Welcome to the blog of Joan le Grande. I'm changing the blog to English so forgive me the Dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
