

# Practice Makes Perfect Beginning Portuguese: Beginning Portuguese (Practice Makes Perfect Series)

More than 1 million books sold in the Practice Makes Perfect series! Based on the successful approach of the series, a clear and engaging introduction to Portuguese, specifically designed for beginners. Consisting of 60 compact units, each lesson in Practice Makes Perfect: Beginning Portuguese with Two Audio CDs can be completed in just 20 minutes. Rather than focusing on grammar, each accessible lesson includes essential vocabulary, an easy-to-follow dialogue, an engaging exercise for you to practice what you've learned, a section on common phrases, and an interesting cultural comment. This approach allows you to master the basics of Portuguese communication without being intimidated by grammar. Each dialogue is given in Portuguese and voiced by native speakers. Every new word or phrase for the dialogues is given in the vocabulary section, and each dialogue appears on an audio recording, giving you the opportunity to hear correct pronunciation and develop your own speaking skills. Practical and high-frequency vocabulary used throughout. Over 145 minutes of practical and engaging dialogues on 2 audio CDs. Special notes on Brazilian Portuguese throughout, making this a great title in advance of the 2016 Olympics in Rio de Janeiro.

Welcome to the blog of Joan le Grande. I'm changing the blog to English so forgive me the Dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
