

Battersea Dogs & Cats Home: Petals Story

The latest title in this perfectly pitched and packaged series for young readers -- resistance is futile! Gemma is the youngest of a big family -- what with her parents plus SIX older brothers and sisters, there isn't room for anyone else. But then they meet Petal, the adorable dachshund puppy from Battersea Dogs & Cats Home, who quickly makes herself at home! Mum and Dad decide to take everyone to the funfair one day -- but Gemma and Petal end up losing their way and getting separated from the rest of the family. Can Gemma's plucky puppy lead the way back home?

Welcome to the blog of Joan le Grande. I'm changing the blog to English so forgive me the Dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
