

Intermediate Chinese (Yale Language Series, 7) (English and Mandarin Chinese Edition)

This text presents dialogues on everyday topics together with analysis of anticipated points of difficulty for the student and numerous sentences illustrating the usage of all new words and grammar. Intermediate Chinese has a number of unique features, chief among them is that the dialogues were first recorded and then transcribed and edited. This has resulted in livelier conversational material than is generally found in textbooks.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
