Featuring books from our Wonder Books line originally published in the 1940s, 50s, and 60s, there's something for every reader in these timeless stories with classic illustrations. The Biggers building in the city no longer welcomes dogs, so they decide it's time to move out. Archie, their Boston Terrier, is too important to them! They soon find out about a big, mean dog in their new neighborhood, so Mr. Biggers builds a fence. But when Archie meets the neighboring dog, they become fast friends. Sometimes dogs can teach people a lesson in getting along!

Welcome to the blog of Joan le Grande. I'm changing the blog to English so forgive me the Dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tag: experience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
