

Better Reading Italian : A Reader and Guide to Improving Your Understanding of Written Italian

New reading series brings foreign language acquisition into the 21st century While the world produces more and more reading material each year, from magazines to newspapers to websites, why are most language learners still relying on contrived texts and classic literature for language acquisition? Providing entertaining contemporary texts in the original language, the Better Reading Language series is for those who want to brush up on a foreign language. With the authentic materials provided in this series, readers will be able to peruse a Latin Grammys write-up in Spanish, a feature on Alain Ducasses favorite recipes in French, or a review of a Milan fashion show in Italian. Readings on everything from music and sports to cinema and contemporary family life are arranged in increasing difficulty within chapters. Along the way, learners will find instruction and exercises to help develop improved reading speed, comprehension, and vocabulary.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, viraal reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
