

## Historical Sketch and Roster Of The Georgia 2nd Infantry Battalion State Guards (Georgia Regimental History Series Book 27)

In his ongoing attempt to maintain a body of troops under Georgia command, Brown organized the Georgia State Guards and the Georgia State Reserves, both commanded by Major Gen. Howell Cobb. The State Guards were short-lived. They were disbanded by early 1864 due to pressure from the CS government and changes in the conscription law. This unit, the 2nd State Guards was also known as the Atlanta Arsenal Battalion. The arsenal was located at the racetrack outside the city's western limits. It produced percussion caps and artillery and small-arms ammunition, probably as many as 75,000 rounds per day by August 1862. In 1863-64 the Atlanta Arsenal employed nearly 5,500 men and women. Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
