

Biographical and Portrait Cyclopedia of Chautauqua County, New York: With a Historical Sketch of the County (Classic Reprint)

Excerpt from Biographical and Portrait Cyclopedia of Chautauqua County, New York: With a Historical Sketch of the County It was originally the intention to present the work in the old style, by grouping each town, village and city by itself, and to introduce the reader to the History of the County before reaching the main contents of the book, but, after consideration, we decided to depart from the rut of custom, and to insert the biographical sketches at random in the book, and supplement it with the story which tells of early times, the whole to be preceded by a comprehensive index, by means of which the reader may turn to any desired place at will. Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
