

Blackfoot Grammar

Thousands of people in Alberta and Montana speak Blackfoot, an Algonquian language. But the numbers are diminishing and the survival of Blackfoot is in some danger. To help preserve the language while it is still in daily use, Donald G. Frantz and Norma Jean Russell collaborated on the Blackfoot Dictionary, published in 1989 to widespread acclaim and later revised in 1995. Blackfoot Grammar, the companion volume to the dictionary, has now also been updated with a second edition. The changes made to each chapter reflect new approaches refined through years of teaching experience. New chapters on Numbers and Enumeration and Translating from English to Blackfoot have been added, as well as new exercises and two new appendixes describing the phonetics of Blackfoot and the design of the alphabet. This second edition of Blackfoot Grammar will be a welcome update not only for those who wish to learn the language, but for all those with an interest in Native Studies and North American linguistics.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
