

Taking the CUNY Assessment Test in Writing

Taking the CUNY Assessment Test in Writing (CATW) provides the strategies and models students need to write an effective response to the CATW exam. It includes an overview of the exams format, an explanation of how the exam will be assessed, a step-by-step guide to crafting an effective written response to a sample reading passage, tips for editing and proofreading, and lots of opportunities for practice. Whether used in a developmental writing course or by students preparing on their own, this guide can help students improve their writing and ace the CATW exam.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
