Cleo De Nile is so excited to visit Boo York that shes practically bursting out of her bandages! Shes bringing her sweetie, Deuce Gorgon, and her beast ghoulfriends, plus a new fiend, pop sensation Catty Noir.

The ghouls expect to have the times of their unives partying at a gala celebrating an ancient Egyptian artifact, the comet crystal. Cleo doesnt know it, but her sister Nefera, is planning to trick her into making a scared promise under the light of the comet when it passes over Boo York - a promise that will change her destiny forever! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
