

Isaac Cummings, 1601-1677 of Ipswich in 1638: And Some of His Descendants (Classic Reprint)

Excerpt from Isaac Cummings, 1601-1677 of Ipswich in 1638: And Some of His Descendants This compilation makes no effort to appear as a literary work, but my sole endeavor has been to gather together as much of the records of the descendants of Isaac Cummings, the emigrant, as could be found during the time I have been engaged in its compilation. Also, to insert only such as bore evidence that they were reliable and correct, not doubting that errors would be included. No person who has not made an attempt to trace a line of genealogy can conceive the obstacles to be encountered. The first records made in the early settlement are of a very crude, superficial character, and difficult to find. Many of Isaacs early descendants have merely their names, with dates of birth given, when they seem to have disappeared into space or been swallowed by an earthquake, as nothing more has been found, relating to them. The custom of naming so many children for their fathers has been a fruitful source of confusion very many times, the records not being definite enough to designate which is intended, the father or son. For the first one hundred years there was no system of indexing records, and then none only in the large towns, thus making a search very difficult, and tedious, as the records of every transaction to be recorded were promiscuously mixed in their order of occurrence, necessitating reading the entire records to find what was desired. I have many times noted the indifference shown when enquiry was made of Cummingses relative to their ancestors, or descendants, it seeming to be a subject in which they had little, or no, interest; nevertheless I expect I shall be held strictly responsible for any omission, or errors, made in names or dates. But I am happy to be able to state that I have met or corresponded with many who have seemed to take great interest in the work, and rendered valuable service,

and thanks are due to my many friends who have ably and willingly assisted in supplying records. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
