

The Sensei Leader: Effective Leadership through Courage, Compassion and Wisdom

An intimate portrait of the human side of leadership, *The Sensei Leader* is about discovering the leader in each of us, in all of us regardless of title, rank or position. *The Sensei Leader* is based on the author's transformation from loser to leader; from drug abuser and dropout to Black Belt and Sensei. This is not, however, an autobiography. Rather, the author draws on his experiences and his extensive study of philosophy and martial arts to craft a highly personal portrait of an effective leader. *The Sensei Leader* provides a practical guide to the essential characteristics of the true leader with particular emphasis on Courage, Compassion and Wisdom. The book also highlights 8 Strategies and 5 Tactics every leader can use to be more effective.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
