

Diary of a Soldier Skeleton (Book 2): The Battle Continues (An Unofficial Minecraft Book for Kids Ages 9 - 12 (Preteen) (Volume 2)

GENRE: Childrens Adventure (An Unofficial Minecraft Book for Kids Ages 9 - 12 (Preteen) In her last diary, Sam the Skeleton wrote about nearly a month of her life in the skeleton army. Even though girls arent allowed in the army, Sam snuck in and pretended that she was a boy. Even though no one noticed that she was a girl, Sam still had to face many other struggles. Slowly but surely she fought and earned her way up the ranks of the army, finally becoming the general of the Overworld skeleton army. However, even though fighting is usually done by this time, the Nether skeletons dont seem to want to give up the fight quite yet. Now that Sam is in charge, she needs to try to find a way to defeat the Nether skeletons once and for all. With the help of her new friend, Donnie, Sam gets some back-up for the Overworld skeletons. This new backup is strange to say the least, so will it still be able to help the Overworld skeletons win the war? With all of this craziness going on will the other skeletons find out that Sam is actually a girl? All of these questions and more will be answered in one place, and one place only: The Diary of a Soldier Skeleton: The Battle Continues. Other books in the Diary of a Soldier Skeleton series Book 1: The Skeleton Wars Book 3: The Royal Wedding Authors Note: This short story is for your reading pleasure. The characters in this Minecraft Adventure Series such as Steve, Endermen or Herobrine...etc are based on the Minecraft Game coming from Minecraft /TM & 2009-2013 Mojang / Notch

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, viraal reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality.

Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
