GENRE: Childrens Adventure (An Unofficial Minecraft Book for Kids Ages 9 - 12 (Preteen) In her last diary, Sam the Skeleton wrote about nearly a month of her life in the skeleton army. Even though girls arent allowed in the army, Sam snuck in and pretended that she was a boy. Even though no one noticed that she was a girl, Sam still had to face many other struggles. Slowly but surely she fought and earned her way up the ranks of the army, finally becoming the general of the Overworld skeleton army. However, even though fighting is usually done by this time, the Nether skeletons dont seem to want to give up the fight quite yet. Now that Sam is in charge, she needs to try to find a way to defeat the Nether skeletons once and for all. With the help of her new friend, Donnie, Sam gets some back-up for the Overworld skeletons. This new backup is strange to say the least, so will it still be able to help the Overworld skeletons win the war? With all of this craziness going on will the other skeletons find out that Sam is actually a girl? All of these questions and more will be answered in one place, and one place only: The Diary of a Soldier Skeleton: The Battle Continues. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality.
