This historic book may have numerous typos and missing text. Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1907 edition. Excerpt: ... CHAPTER I. GEORGE CLEEVE. THE DEPUTY PRESIDENT OF THE PROVINCE OF LIGONIA. [Thomas and Anthony Brackett, sons of the immigrant, Anthony of Portsmouth, married granddaughters of George Cleeve. He was born at an earlier date than any of our common ancestors of whom we know; it was through him that our early forefathers in America acquired title to those large estates which they possessed. Some, because they cared but little to know the truth, others, to whiten the characters of the subjects of their pens, have written ill of him. as a settler there. The land on which they located was contained in a grant under date of December 1, 1631, by the Plymouth, or...

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
