

History of the Ball Family: Genealogy of the New Haven Branch, Allen Ball and Some of His Descendants, 1638-1864 (Classic Reprint)

Excerpt from History of the Ball Family: Genealogy of the New Haven Branch, Allen Ball and Some of His Descendants, 1638-1864 Leonard Abraham Bradley was a descendant of Allen Ball through Mary Ball (daughter of Deacon Stephen Ball), who married Abraham Bradley, his grandfather. Abram Bradley, as he was generally known, was born in New Haven, Connecticut, March 14th, 1833, and graduated at Yale College in the Class of 1855, of which he was the Vice-Secretary for many years. After studying for a few months at the Union Theological Seminary of New York, he decided to follow the law as his profession. He graduated at the Yale Law School, 55-56, and was admitted to the Bar Association of New York in 1858, and to the Connecticut Bar in 1870. He resided in New York for thirty years and was for a long time in the office of Strong & Cadwalader, whose Senior partner, Mr. Charles E. Strong, was his cousin. Mr. Bradley was a well known Real Estate specialist. He never married and passed away in New Haven, April 18th, 1898. Mr. Bradley commenced his genealogical studies soon after leaving College. This Ms of the Ball Genealogy, dated October 21st, 1864, was the second of his studies on the subject, and it seems to have been then completed and ready for the press. Just about that period he began the study of the Bradley Family. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
