

## Breakthrough Plus Class Audio Level 4

A communication-focused course that builds young adult and adult learners confidence to use English. Breakthrough Plus contains modernised content, a fresh design and a digital version of the Students Books for classroom presentation purposes as well as additional practice material with markbook functionality. The accompanying digibook provides an onscreen version of the Students Book with integrated audio, plus additional interactive practice with over 120 activities and markbook functionality. The Digibook includes 12 video street interviews filmed in New York with accompanying worksheets. Teachers have access to the DigiBook, their students markbook, and an additional Test Generator program. This has created a truly blended, content-rich course, covering high-interest themes in a thorough but accessible way. NEW Digibook provides an onscreen version of the Students Book with integrated audio, plus additional interactive practice with over 120 activities and markbook functionality. The Digibook includes 12 video street interviews filmed in New York with accompanying worksheets. Teachers have access to the DigiBook, their students markbook, and an additional Test Generator program. A strong emphasis on skills (such as conversation strategies) with an emphasis on Listening and Speaking, but with Reading and Writing also. Authentic natural language presented and practiced through clear, contextualised and achievable tasks. Lots of visual on-page support for students, enhancing scope for creativity. A broad, international, cross-cultural flavour with a range of native and non-native accents. An optional Challenge! feature catering for mixed-ability classes. Genuine flexibility - teachers can pick and mix according to the needs of each class, without the course losing its integrity. Amusing listening and reading passages feature regularly in the

course creating an engaged and comfortable class

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
