

## Shorter Etymological Dictionary of the Spanish Language / Breve Diccionario Etimológico de la Lengua Castellana (Spanish Edition)

Decir a quienes y para que se destina es dar un libro la mejor definición. Este se ha escrito para el público no especializado en lingüística, con objeto de informarle breve y claramente de lo que se sabe acerca del origen de las palabras castellanas comúnmente conocidas por la gente educada. He pensado, pues, en cuatro tipos de lectores: estudiantes de todas las disciplinas, aunque acordándome de que los de ciencias humanísticas y filológicas lo emplearán, naturalmente, más que otros; extranjeros cultos que tratan de adquirir del castellano un conocimiento algo sistemático, no meramente práctico; profesores que enseñan cualquier materia, eruditos no lingüistas y lingüistas especializados en otras lenguas, romances o no romances; y, en general y muy especialmente, todo el público educado de lengua castellana que no se contente con un conocimiento superficial de su idioma.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
