

Bubba the Bulldog Tries to Smile

Bubba's lips are too heavy to smile. When his best friend Ryan breaks his leg, Bubba tries to cheer him up. After getting into some mischief around the house, Bubba learns that every time he accidentally smiles, Ryan smiles too. In his efforts to smile, Bubba has to conquer his worst fear by facing the BROOM. In the end, Bubba finds out he had the ability to smile INSIDE him all along. **Gold Winner of the 2014 Readers Favorite International Book Awards in the Childrens - Preschool category**

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
