

## Buddy Finds a Home

Buddy did not only want a home; he wanted a boy. A boy he could run and play with outside. Rejected by prospective owners for his imperfections, Buddy takes matters into his own hands and searches for a home on his own. In Rachel Edmiston's *Buddy Finds a Home*, we follow Buddy, a scruffy gray schnauzer with crooked ears, as he tries to fulfill his dream of finding a boy to love him. Will Buddy's dreams come true? Can he find a home despite his flaws?

Welcome to the blog of Joan le Grande. I'm changing the blog to English so forgive me the Dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
