

The Registers of Banstead, Co; Surrey (Classic Reprint)

Excerpt from The Registers of Banstead, Co; Surrey The Parish of Bansted, or Banstead, is situated in the County of Surrey, in the Bishopric of Winchester, the Archdeaconry of Surrey, and the Rural Deanery of Leatherhead. It belonged at the Conquest to Richard de Tonbridge, who held it of the Bishop of Bayeux, and in the reign of King Henry I., Tirel de Maniers, the then owner, granted the Rectory to the Prior and Convent of St. Mary Overies, in whose possession it remained until the dissolution of the Monasteries. A list of Rectors and Vicars since that date will be found at the end of the book. The Transcripts now published are contained in the first two volumes of the Registers, and date from their commencement in 1547 down to the following dates: Baptisms, to 1750; Marriages, to 1753; Burials, to 1789. The first volume is a small vellum-bound book, in poor condition, the writing very much faded, and occasionally illegible. It measures about 8? x 7? inches, and contains entries from 1547 to 1618. Volume II. is a thick square volume, about 14 inches square, bound in old sheepskin with clasps. It contains Baptisms, 1620-1783; Marriages, 1616-1753; and Burials, 1617-1789. The entries are often carelessly and ignorantly made, and in many instances the original entry has been corrected or added to in another hand. It appears to have been a common practice for the Clerk to make rough notes at the time of the ceremony, filling them into the Register Book at a later date, and this practice will account for the dates of the entries not always following one another chronologically. The Editor has some of these rough notes among his papers. The Parish Church dedicated to All Saints is an early English building of stone, faced with flints, and consists of a chancel and nave, and two side chapels and side aisles. The South Chapel was formerly the Lady Chapel. About the Publisher Forgotten

I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
