

Bullring Kid and Country Cowboy Level 4 Intermediate Book with CD-ROM and Audio CD Pack (2) (Cambridge Discovery Readers)

This award-winning graded readers series is full of original fiction, adapted fiction and factbooks especially written for teenagers. Despite their very different backgrounds, two fifteen-year-olds are drawn together and discover that they share more than they had ever imagined. This is a rollercoaster of an adventure that takes us from Sark, a remote British island, to the busy modern city of Birmingham, England.

This is a British English version of the title. The book comes with a CD-ROM and Audio CD with vocabulary games and complete text recordings. Cambridge Experience Readers, previously called Cambridge Discovery Readers, get your students hooked on reading.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
