

Dictionary of French Slang and Colloquial Expressions (Barrons Dictionaries of Foreign Language Slang)

This quick-reference dictionary for language students and travelers to French-speaking countries presents more than 4,000 informal, commonly-used words and phrases in French with English translations and equivalent phrases. International travelers quickly discover that their textbook knowledge of French will take them only so far in understanding and communicating with others. This new edition, updated with many of the most contemporary expressions, will help all students and travelers who have an intermediate-level knowledge of French but need to familiarize themselves with informal speech. Words and phrases are presented with grammatical information, their English meanings, and a sentence or extended phrase in French to illustrate usage, followed by the English translation. The Dictionary of French Slang and Colloquial Expressions is one title in Barrons series of slang dictionaries in several different languages. Because of the nature of slang, these books contain expressions that some readers might find offensive.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
