

Experiencing Chinese: Intermediate Course Work Book 1

The purpose of Experiencing Chinese Advanced Course 1 is targeting at upper-intermediate students and to increase students vocabulary, to improve their ability to express themselves orally and on paper, thus to improve their ability in comprehensive Chinese application. This series places emphasis on a task-based teaching philosophy, with tasks provided throughout the teaching process. It includes ten units, and advocates allowing students to learn and grasp the knowledge and skills of the language through the completion of assignment, and to improve their communication and comprehensive language abilities.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
