

On the Existence of Mixed Languages: Being an Examination of the Fundamental Axioms of the Foreign School of Modern Philology, More Especially As Applied to the English (Classic Reprint)

Essay on the subject of Mixture in Languages, especially in English, which appeared in some of the literary journals of May and June 1875. The Author is aware that it possesses not a few imperfections, and that many philologists will regard the whole of it as a mistake, since they have expressly declared a mixed language to be an impossibility. This assertion is called an axiom, or self-evident truth, but surely it ought not to be admitted without proof. The Author has attempted to show that, in point of fact, its contrary is the truth, and he therefore throws himself on the indulgence of the public, to whom he offers his work for what it may be worth. Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
