

Playway to English Picture Cards 1

This colourful four-level course is for very young learners aged 5-7 years. English is acquired through play, which means children learn the language and have lots of fun at the same time. At Levels 1 and 2 children learn to use English confidently through listening and speaking before they are taught to read and write at Levels 3 and 4. The course materials include a DVD with entertaining stories and a set of beautifully illustrated story cards to help children remember what they've learned. For teachers looking for further support, optional components such as picture cards and musical videos are available for extra class work and practice.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
