

The Christmas Bear: A Christmas Pop-up Book

When Father Christmas sets off to deliver the presents, poor Bear is left behind in the workshop! How will he make it to Toms house in time for Christmas morning? Lift the flaps to find out, as he chases Santas sleigh through icy seas and snowy forests, all the way from the North Pole to Toms cozy bedroom. With a laugh-out-loud text full of witty rhymes and illustrations that are bursting with funny details, The Christmas Bear is a Christmas book with a difference and there's a flap to lift on every page, so children can join in the fun!

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
