

# Mac, Mc & O names in Ireland, Scotland and America, with locations

By Mac & O Youll always know. Mac, Mc and O names in Ireland, Scotland and America. 17th - 20th century records Irish & Scots Family Names, sources, indexed. Locations in Ireland and early America. 1790 census records, Irish census record.Charts. In print for the first time ever in 2003. Authored by Michael C. OLaughlin. This is a study of names that begin with Mac, Mc, and O, based upon several census type records in Ireland and early America. Many families are noted and pinpointed as to specific location in both countries...many more are mentioned in passing. Includes extracts on these names from the work of OHart; a chart of all Mac and Mc names from the 1790 U.S. census, along with count of names by county. Also gives the ranking of the top Mc, Mac and O names in the U.S. based upon the social security records. In Ireland, the original spelling of all of these names is given based upon the 1659 census and the 19th century records of Mathesons survey..... Not a collection of family history but a guide showing the location these family names, spellings and locations, with actual records illustrated. Several old and worn pages have also been taken from the IGF archives showing famous and infamous individuals with Mac and O names as recorded in the 1800s, but of course not every family is included. Approx. 61 pages in all, full size 8 1/2 x 11, heavier parchment cover, spiral bound, indexed, charts. A few records are reproduced here exactly as they appear in the original documents in the IGF Library, and so they will show the wear of time. A must for any collection that includes this area of study of names. Many families are pinpointed as to county locations in both Ireland and America, many are mentioned only in passing, as this is mostly a study of the location of these family names, not a collection of family history as such.
