

Cambridge Storybooks Audio CD 1

This series of delightful storybooks is a flexible resource designed to help teachers engage and motivate young learners in the classroom. They are an ideal way to support children in the early stages of learning English. Teachers Books and Audio Cassettes/CDs make the Storybooks simple to use: the Teachers Books cover the entire level and include step-by-step teaching notes with ideas for classes of different ability, photocopiable worksheets, and If you have time sections suggesting original ideas for games and activities. The Audio Cassettes/CDs feature all the titles in each level read aloud, exposing children to different voices while they have fun listening to the dramatisations. At levels 3 and 4 selected titles are designed to be read as a play. Watch your pupils confidence in English grow as they act out the stories together!

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, viraal reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
