MYSTERY UNDERGROUND ZOMBIE KING AND OTHER SCARY SHORT STORIES By Charles David Clasman and David Anthony Zombie King and Other Scary Short Stories is an 8-story introduction to the chilling spooky book series Mystery Underground. Four additional Mystery Underground books are available, each comprised of thirteen scary stories set in thirteen spooky situations with thirteen different dangers. Every Mystery Underground book is a collection of scary short stories for kids, middle grade readers, and everyone who likes a good scare. The stories combine the monsters and mystery of Goosebumps with the surprise endings of The Twilight Zone. They are the perfect scary stories to read on Halloween, in the dark, around the campfire, or under the covers at night with a flashlight. Read a scare if you dare!

When they climb into the hole, the boys discover the frightening truth about how and what causes sinkholes to form. #4: TAR PIT TERROR The fossils of many prehistoric animals from dire wolves to mastodons have been found in the La Brea Tar Pits. When Liam and Charlotte discover a saber-toothed cat's paw, they realize that not all fossils want to be found. #5: HAPPY HAIRY BIRTHDAY It's Cody Wolf's birthday and a party waits for him. To get there, he takes a dangerous shortcut. Halfway along, a snarling werewolf appears in his path. Cody runs but the werewolf pursues. The chase is on! #6: DEEP GREEN SEA Emma and her family return wearily home after a hurricane. The devastation left behind looks like a zombie apocalypse. But are zombies the scariest things that can rise from the ruin? #7: NO. 13 PENCIL Jackson is an amazing artist. His drawings of monsters, beasts, and witches are realistic and terrifying. What happens when the creatures come to life? #8: SLEEPING BEAR DOOM Many legends surround the majestic and mysterious Sleeping Bear Sand Dunes. What caused the dunes to form? Why do they continue to grow year after year? Are the dunes really devouring the surrounding land like a ravenous beast? Caleb and Katie wonder many things as they begin to climb. Will the answers they find allow them to escape?

Welcome to the blog of Joan le Grande. I'm changing the blog to English so forgive me the Dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
