

## Between

Anna Riggs, just out of high school, and her archaeologist dad travel to the historic town of Apalachicola, Florida, where Anna has inherited an old Victorian home left to her by her great uncle Archie. But the house needs work. Anna and her dad begin an 8-month-long restoration project with plans to sell the old house when its finished to pay for Annas college tuition. Soon, normally shy Anna makes a few local friends, including handsome Eric Bennett, who plans to study architecture at Florida State University in the fall. He willingly helps with the homes restoration and helps Anna climb out of her shell. It doesnt take long before Wyatt, a ghostly inhabitant of the house, makes himself known to Anna. She is fascinated by him. Will Anna be entranced by the specter and his world, or can she pull out of her feelings long enough to realize her life should be spent among the living? Praise for *BETWEEN*

Between the pages of *BETWEEN*, a classic ghost story, are delicate, atmospheric moments of illusion and trust in the impossible, impossible, improbable . . . yet love blooms for Anna, who is seventeen, and Wyatt, who died in battle decades before Anna was born. The two share longing and boundless passion, body and spirit affirming Shakespeares words: Parting is such sweet sorrow. Author Dora Hilburn brings her characters to rich life in a romantic triangle, a tender tale of first love, and a battle of good and evil, ultimately reminding us that love is, indeed, eternal. Lois F. Ruby, author of *Rebel Spirits* and *Steal Away Home*

In *Anna*, Hilburn has created a heroine who is real and relatable. One moment heart-warming, the next moment heart-breaking, *BETWEEN* movingly explores the wrenching choices Anna must make when she discovers love in the unlikeliest of places. The seaside town of Apalachicola provides a beautiful and haunting backdrop for this otherworldly

coming-of-age romance. Denise Getson, author of *Dry Souls* Doras lyrical way with story-telling draws you in from the first word and doesnt let you go until long after the last word. After reading *BETWEEN*, youll never think of ghosts the same way. Dora has hit a definite home run with her debut. K. Anne Raines, author of *Shattered Grace*

I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
