

Carol of the Brown King: Nativity Poems

The wonder of Christmas never ceases. Each year the holiday comes and its story seems fresh and new. The ways of telling about the very first Christmas are as many and as varied as the stars in the sky. And so it was for Langston Hughes, who recounted those long-ago events in six different ways -- in live poems he wrote and in one he translated from the Spanish. In this memorable book, these six poems are simply and movingly illustrated by Ashley Bryan. That Christmas is for everyone -- young and old, black and white, rich and poor -- has never been more clearly shown. Though African American children -- and adults -- will find the book a special one for them, everyone who takes time to enjoy the book will come away with a new understanding of the holiday. Ashley Bryan has long been known for his interest in and illustration of African American spirituals and poetry. Here he puts his gifts of illustration to work in a way that seems to reflect his dedication to both.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, viraal reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
