

Catalogue of the Library of the Massachusetts Historical Society, Vol. 1 (Classic Reprint)

Excerpt from Catalogue of the Library of the Massachusetts Historical Society, Vol. 1. The want of a complete Catalogue of the Books and Manuscripts contained in the Library of the Massachusetts Historical Society has long been felt by the Members and others who have had occasion to consult these works. To supply this deficiency, the following Catalogue - the third published since the institution of the Society - has been prepared by the Assistant Librarian, John Appleton, M.D., under the supervision and direction of the Standing Committee. It appears from the Records of the Society, that on the 29th of October, 1793, a Catalogue of the Library being reported, the Librarian, Hon. George Richards Minot, was authorized to procure a manuscript copy to be made; but no immediate action was taken with regard to its publication. It was, however, printed by Samuel Hall, in 1796, in the form of a pamphlet of forty pages octavo; the titles, which are generally very brief, being arranged in single columns, and numbering rather more than one thousand. This Catalogue, as we are informed in a note, does not include unbound books and pamphlets; nor European publications, except they have some connection with American history; nor a large collection of newspapers. Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
