

Course Notes — CFE Higher Graphic Communication Course Notes

The Higher Graphic Communication Course Notes helps teachers and students map their route through the CfE program, providing comprehensive and authoritative guidance for the course. Course Notes give a practical, supportive approach to help deliver the new curriculum and offer a blend of sound teaching and learning with assessment guidance. Full coverage of the new Higher course specifications with list of learning intentions. Attractive layout with clear text features. Key questions highlight crucial concepts and techniques that need to be grasped by students in order to progress to the next learning intention. What the examiner/assessor is looking for to help teachers & students feel secure. End of unit material/unit assessment, exam-style questions with worked answers and examiners commentary, self-assessment.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
