

## Change Now! Five Steps to Better Leadership

You want to start working on the next steps in your career. Your boss made remarks in your last performance review that you want to take action on. You know now the kind of leader you aspire to be and want to pursue your aspirations. You have an enduring weakness that motivates you to improve. You feel bored or stale in your current job and want to develop new capabilities. If you've experienced those things or have had similar experiences, then you know that what makes you successful now won't take you to the next level of performance or leadership. Successful leaders have the ability to adapt, change, and reinvent themselves. They thrive on change. Do you? The FIVE STEPS in Change Now! will help you become the leader you aspire to be by guiding you through a process of change. Use this book to identify where to focus your development energy, create goals that work for you, craft a plan for achieving your goals, overcome obstacles, and stay on course. Don't wait. Become the leader you want to be, the leader you need to be.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
