

Dragon: Hound of Honor (Julie Andrews Collection)

In the noble and dangerous times of medieval France, the young knight Aubrey de Montdidier, nephew of the Count of Montargis, has been strangely murdered. His friend the brave Sieur DeNarsac, captain of the counts men-at-arms, and Thierry, a young page, must now solve the tragic mystery. Yet it is a magnificent white wolfhound by the name of Dragon -- Montdidiers faithful companion -- who brings an unexpected, shocking conclusion to the puzzle of his masters untimely death.

New York Times best-selling authors Julie Andrews Edwards and Emma Walton Hamilton weave a tapestry of intrigue, power, loyalty, and friendship in this novel based on the captivating French legend of Montargis.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
