When life seems dark and hopeless, it is easy for negativity to color everything we feel or do. But what does this negative focus do to us? Eventually, we may fall deeper into despair, and we may lose touch with ourselves completely. There is another way of being that allows more healing, more joy, more love into our lives. Choosing The Wide River is a short collection of insights about this different way of being.

Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
