

Writers Guide to Book Publishing

This is the essential professionals guide to getting a book published - and then marketed successfully. In accessible, down-to-earth language, the reader is taken through every aspect of the publishing process. Included in this completely revised and expanded edition are discussions on the use of computers in preparing manuscripts; the electronic, multimedia, and audio cassette markets; superstores; and telemarketing. There is invaluable coverage of textbooks, childrens books, trade books, small presses, university presses, vanity presses, and book packagers.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, viraal reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
