

Christmas and the Lost Elf (A Childrens Picture Book)

Christmas and the Lost Elf is a childrens holiday book with illustrations about a lost elf named Ernie who hides unnoticed in Santas sleigh and finds himself left behind on Christmas Day in a place far away from the North Pole. There he meets various interesting characters while hoping to somehow find his way back home and, in the process, learns to appreciate Christmas in new and entertaining ways. This delightful and unique holiday tale is sure to keep young children (and their parents) engaged throughout Ernies magical and fun journey. Other entertaining and learning childrens books by the bestselling author include Abby Appletons Apple Farm, ABCs of Earths Creatures, A Kangaroos Pouch, Greeley the Mean Goat, The Runaway Rabbit Named Robbie, Willas Halloween Adventure, Toby the Talking Tree, and titles from the popular A to Z Things series--all available in eBook, print, and audio.

I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
