

## How Many Sleeps till Christmas?

A follow-up to the adorable How Many Sleeps till my Birthday! It's hard to be patient when you're only a very little bear, and Little Pip cannot wait until Christmas! Every day he wakes up and thinks the day has finally come - it's driving Daddy Grizzle nuts! Poor Daddy Grizzle... and poor Pip! How will he be able to carry on waiting - there are still so many sleeps to go! This is a hilarious and endearing story about patience that every parent will recognise!

Welcome to the blog of Joan le Grande. I'm changing the blog to English so forgive me the Dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
