

## The Middle East and North Africa 2007 (Middle East & North Africa)

A complete reference guide to the latest political, social and economic developments in the region. CONTENTS Introductory essays written by eminent writers, scholars, journalists and broadcasters provide a general survey and analyses of the contemporary social, political and economic issues of the region. Subjects covered include: Arab-Israeli Relations 1967-2007; The Jerusalem Issue; Documents on Palestine; Iraq post-Saddam Hussein; Oil; Natural Gas; and Islamic Banking and Finance. In-depth individual country and territory surveys which include: comprehensive essays on physical and social geography, history and economy; a statistical survey covering the major economic indicators; an invaluable directory providing contacts within government, the media, trade and industry and tourism etc; plus a bibliography. Extensive details of the research institutes active in the region, listing their aims, functions, key personnel and contact details including: the Gulf Co-operation Council; the Islamic Development Bank; the League of Arab States; the Organization of the Islamic Conference; and the Organization of the Petroleum Exporting Countries (OPEC). KEY FEATURES Quick access to a wide range of data. Accurately and impartially records the latest political and economic developments. Wherever possible information is drawn direct from source, ensuring accuracy and reliability. Contributions from acknowledged experts provide an informed and authoritative view of the region.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home,

20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
