

Civilization Progressive Du Francais Niveau Avance (English and French Edition)

La Civilisation progressive du français, niveau avancé, décrit, explique, et propose une lecture vivante et pratique de la civilisation française d'aujourd'hui. Cet ouvrage est composé de 7 parties qui constituent un ensemble de repères : géographiques, historiques, politiques, économiques, sociaux, culturels et quotidiens. À l'intérieur de chaque chapitre, on trouvera un ensemble de courts chapitres qui donnent des informations essentielles pour comprendre la France d'aujourd'hui. L'ouvrage permet une lecture individualisée. Chaque partie et chaque chapitre sont autonomes. Ce qui permet à l'utilisateur de choisir l'ordre qu'il souhaite selon ses besoins ou tout simplement sa curiosité. Les pages de gauche présentent les réalités culturelles françaises, tandis que les pages de droite facilitent l'intégration de ces informations grâce à des activités nombreuses et variées (plus de 400 en tout). À la fin du livre, un lexique culturel alphabétique qui précise le sens des mots et expressions difficiles en raison de leurs connotations culturelles particulières. Un livret de corrigés est proposé à part (ISBN 978-2-09-0353662).

Welcome to the blog of Joan le Grande. I'm changing the blog to English so forgive me the Dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
